EDUCATION

Bachelor of Science in Computer Science

Lebanese University- Faculty of Sciences

09/2016 – 08/2019

General Sciences

Zahia Salman Public High School

2014 – 2016

GPA=3.2

PERSONAL PROJECTS

Supermarket Management System Application

- This system provides an efficient way of managing the supermarket information. Also allows the customer to purchase and pay for the products purchased.
- Coded in Java using Model-View-Controller architecture
- Database done using MS SQL Server

Clinic Information System

- The main topic of the project is to create a Clinic Information System in Lebanon having a website that can register physicians, patients and other allowed users.
- Coded in C# using ASP.NET Core [Model-View-Controller architecture]
- Database done using .NET objects [Entity Framework] [MS SQL]

Academic services[LU Web(Node.js)]

- The aims of the project are to develop a web service for the Faculty of Sciences allowing the implementation of the two main administrative services:
- 1-Teaching load distribution: a centralized web service for departments chair to distribute the teaching load respecting the rules and formats of the Faculty
- 2-Online Registration service: allowing students to do an online registration and a faculty member to validate this registration
- Done using Node.js framework
- Database done using MySQL

WORK EXPERIENCE

Cashier & Waiter

DipnDip

Achievements/Tasks

- -Ability to work effectively under time pressure and for long and extended hours -Strong organizational and multitasking skills, with the ability to perform well in a fast-paced environment -A good memory and an eye for details -Diligence and dedication to work-Active listening and effective communication skills -Flexibility to work in shifts

TECHNICAL SKILLS

Object Oriented => ☐ Java (Primary Language) ☐ C++

Mobile Development => ☐ Android Studio [+SQLite]

ASP.NET Core [Model-View-Controller architecture] [C#]

Web Development => ☐ HTML ☐ CSS ☐ JavaScript ☐ PHP [+PhpMyAdmin] ☐ JQuery ☐ AJAX ☐ Bootstrap ☐ JSON ☐ Web Services ☐ Node.js

Databases => ☐ MS SQL Server ☐ MySQL

Low Level & Analysis => ☐ Assembly [MIPS] ☐ Prolog ☐ MATLAB

SOFT SKILLS

Gathering Information

Developing Evaluations

Time management

Creativity

Approachability and Helpfulness

Problem-solving

Multitasking

Productivity

Teamwork

CERTIFICATES

Certification Of Appreciation 📄

For outstanding contribution as a volunteer in the first International Conference on Big Data and Cybersecurity Intelligence(BDCSIntell'2018) at the Lebanese University.

LANGUAGES

English ● ● ● ● ○

Arabic ● ● ● ● ●

ADDITIONAL ACTIVITIES

☐ Member at large in the LU Computer Science Club
